

How does my council spend its money?

We know that how your money is spent is very important to know but it can be very difficult to find out if your council is spending your money on your priorities.

At My Life My Council we have brought together data from councils across the country to make it easy.

Find my council

Select from the options to find out how your council spends money on what is important to you.

My council is:

Select ^

I'm interested in:

Select ^

- I want to:
- ☒ compare with other councils
 - ☐ see my council's spending since 2010
